## Research Room Usage Agreement

Room A214 is available as a workspace for use by junior and senior science research students during their free periods when the room is staffed by a teacher. Here are the rules concerning its use in condensed form:

- No guests or visitors. No cutting a dull class or hiding from the sub.
- Show ID when asked. Respect the “guest list” and the “bouncer”.
- Max. Seat Cap.: 17 students. Seating is on a first come, first served basis.
- No personal stereos or cell phones will ever be seen or heard in this space.
- No games (calculator, computer, board, card, street, or field). It’s a workspace.
- Care for your personal belongings as if they were your own. The school won’t.
- Care for the room as if it was your own, ‘cause it is.
- Keep it clean.
- Keep it (reasonably) quiet.
- Keep your hands off experiments in progress.
- Safety first, middle, and last.

I have read and understand these rules.
